

[Is it Time to Consider Updating Your Town's Regulations, Ordinances, and Plans?](#)

Regular review and update of your regulations will ensure that your Boards remain current on recent legislation changes and planning practices. While most update periods are not mandated, basic recommendations for the update timeframe for a community's commonly used regulations, ordinances, and plans can be found here. CNHRPC can assist your boards with such updates. Contact [Stephanie Alexander](#) for more information.
